Limitation of liability RULE shall not be held liable for any loss or harm resulting from the use of this website's material, including written material, links to third-party sites, data, quotations, charts, and buy/sell signals. Please be fully informed about the dangers and expenses of trading assets on the financial markets (digital or otherwise). ICOs, in particular, is one of the riskiest investing options. There's a chance you'll lose your whole investment. Investment risks Trading cryptocurrencies have a high level of risk and is not suited for all investors. You should carefully evaluate your investing goals, level of expertise, and risk appetite before opting to trade cryptocurrencies, tokens, or any other digital asset.

WHAT IS CQ NETWORK

CQ network is a revolutionary decentralised network of business organizations where cryptocurrency is the major mode of transaction for exchange of goods and services. Highly community oriented, transparent and secured. CQ network comes with a concept of ever ending solution for the crypto community by offering the governance token \$CQNC with the world wide legal tender concept. As per the current global crypto market 5.0%-7.8% out of the total 7.8B population has been engaged in crypto and blockchain community. This short users is affected due to the high volatility and regulations of crypto currency Inorder to increase the adoption and to expand the community CQ network is bringing out all the high end possibilities where crypto can be used to fulfill and can be replaced in terms of paper money and a complete digital world where the revolution really begins. This is done through establishments of own business enterprises, merchants and partnership. We are moving forward to fulfill the basic and other needs of the global consumers. For eg : grocery, hypermarkets, lifestyle, clothing, hospitality, real estate, travel, exchanges, payment gateways, atms.....etc. CQ network is powered by \$CQNC- governance token \$CQD-Utility token & \$CQBD - Stable coin. We are here to build wealth and a stable crypto community with high dependence and trust. CQ network is integrated with one of the world's most advanced ecosystem of various wealth growth opportunities and investments We give high priority for partnership for our community holders, Career opportunities for community Educational institutions for blockchain and web3.0 to build a strong generation of digitalisation CQ network charity is to support without geographical borders. Charity is based on the community votes. We are building the future with CQ network. Join us now...

VISION

To build a network of business organization, Where crypto currency is the major mode of transaction.

- To make crypto currency as a world wide legal tender.
- To explore the entire opportunity of the global market with crypto currency.
- To engage people around the globe into crypto with technology and investment.

MISSION

To make CQ network as the global leader in the crypto industry with wide variety of business establishments and technologies.

- To build a community of the highest crypto users.
- To increase the adoption and remove the fear about crypto currency.
- Build business organizations to bring more opportunities for livelihood and dependence on crypto in the future generation.
- To increase the real world possibilities of crypto currency

CQ NETWORK ECOSYSTEM

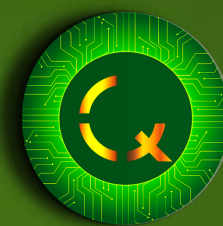

CQ PAY (3M MARKET CAP)

CQ pay is a revolutionary wallet with features of a crypto wallet as well as a digital wallet where users store crypto currency and native currency Bank accounts/debit/credit card can be linked to make crypto purchases and other online payments like recharge,travel,shopping,...etc The scan pay option allows users to make payment with CQ pay in both options across worldwide partnership merchants and own merchants. The cq network protocol encourages people to pay and receive in crypto with the instant buy and sell protocol. The instant sell and buy protocol makes cq pay wallet unique from other crypto payment services. The receiver and sender has the dual switching mode to choose the payment to be received or to be paid either crypto or native currency The wallet is completely integrated with direct bank transfer which makes the wallet high user adoption. The dual switching mode gives an ever ending solution and terminates the fomo the profit. Here the real revolution and the ever ending solution begins with CQ pay wallet the instant buy sell protocol gives you the advantage of sending crypto and receiving local currency. Send local currency and receive crypto. To encourage the adoption and payments with crypto CQ pay wallet provide various offers and promotions in cash back,discounts....etc All these are done with the support of the world's lowest gas fee blockchain bitgert and with a service provider fee as low as 0.5%-1.0% CQ pay wallet provides visa/master card for \$CQNC holders and with unlimited transactions.
